BEACHES

Please Use Caution!

The ocean is powerful and can be unpredictable! Watch out for Rip Currents, and heavy Undertow. If you are not a strong swimmer or are unfamiliar with swimming in the ocean, swim where there are other people around you and/or bring a floaty with you.

Read about each beach below to determine which is the best for you.

[Pilon Beach "Leftovers"](#)

- Great for swimming, families, beginner surf

[Pavones Point](#)

- Intermediate to Experienced Surfing
- Swimming is good in front of fishing boats

[Punta Banco](#)

- Experienced surfing, has rip currents
- My favorite thing to do with family or a romantic evening...come out here before sunset at low tide. Find a good tide pool to relax in as you watch the sunset.

[Rio Claro River](#)

- Walk up river on hot summer days, very shallow and fun to explore
- Not recommended for rainy season!
